

We are a community of God's people who respond to Christ's mission to serve and love ourselves and others. With the Grace of God, we aspire to put our faith into action by:

- ✧ *Opening our hearts in worship*
- ✧ *Opening our arms in hospitality*
- ✧ *Opening our minds through education*
- ✧ *Opening our hands for stewardship*

Union Congregational Church offers opportunities to stretch your mind, feed your spirit and live your hope.

No matter who you are or where you are on life's journey, you are welcome here.

Rev. Polly Shamy
